## HAPPY NEW YEAR!

### It's 2026! New year, new gallery!

Well, not exactly, but in some respects, Fountain Hills Artists' Gallery is a new gallery! Our walls and display cases are a rotating showcase of emerging local artistry. We have added six new artists to our roster, with them came: new paintings, new photographs, new ceramics and new jewelry, all of which are currently on display in our sensational collective space. Recently, the gallery itself had a bit of an artistic facelift, in that its flow was redesigned to create a more immersive experience. In fact, even the paint on the walls is new! We'd love for you to come see!

What's extra special? Every Tuesday is "Demo Tuesday" where you can find a featured artist practicing their skills inside the gallery. Don't live near the gallery? No problem! Visit our sparkling new website. Scroll through pictures of beautiful artwork and to stay up to date with all things creative. Of course, Fountain Hills Artists' Gallery is not new. Almost every morning since 2009, this cooperative gallery has been opening its front door to the Ave of the Fountains. We are so thankful to all of you who embrace beauty in all its multiple forms. We are so thankful to all of you who support our artists' creations. It is exactly this support that allows us to continue our presence on the Avenue.

All of us at Fountain Hills Artists' Gallery wish each of you a happy, healthy new year, one filled with pops of color, moments of inspiration, and an abundance of memorable experiences. Cheers!
